Minimalist Console Table or Standing Bar Counter

USA, 1980s

A matte finished 1/2" thick stainless steel plate console or hall table from New York Yankee's Stadium. As found, three original Yankees logos are acid etched into the top surface. The returns on the legs have countersunk holes to screw or bolt it down securely on any flooring surface. These tables are Architect designed and built to last for generations. Each will support any object placed on top of them....
