Stratum Hollow Form Sculpture

David Ellsworth

USA, 1997

Larger than images may reveal, this 1997 Spalted Sugar Maple pot is indicative of Ellsworth's post-1990 shift to focus on pure forms with a direct design approach. His Stratum Series exemplifies this technique. Etched signature to base, '1997' 'Ellsworth' 'Stratum Pot' 'Series 1 of 2' 'Spalted Sugar Maple.'
