Grand Scale Silver Birch Armchair

H.C. Dexter Chair Company

USA, 1920s

An uncommon, substantial rustic armchair built of Silver Birch with a double-caned seat and back.

'The frames are built of the beautiful Silver Birch, which grows only in a small portion of the Adirondack Forest, the Great north Woods. The beautiful bark, with its silvery sheen, is left on the surface, and with usage and exposure takes on a beautiful polish. The seats and backs are made with seasoned slats in...
