Reversible Tray Table

Hermann Bongaard for PLUS (Norway)

Norway, 1962

A stackable and collapsable compact tray table designed by Norwegian Hermann Bongaard for PLUS (Fredrikstad, Norway) in 1962. The unit features a reversible enamel on steel top manufactured by Catherineholm and was available in a variety of solid colors as well as a modernist patterned top, all surrounded by a solid teak, finger jointed frame. Its chrome plated steel base consists of four separate pieces (2+2) which...
