Rare Black Walnut Turned Wood Bowl

Gordon Keeler

USA, 1957

Exquisite American Studio Craft piece hand-crafted by renowned artisan Gordon Keeler, a distinguished member of the League of New Hampshire Craftsmen. This singular lathe-turned bowl showcases the rich, warm tones of Black Walnut wood, highlighting Keeler's masterful technique and attention to detail. The bowl's elegant form and smooth finish exemplify the high standards of mid-century American craftsmanship. Signed...
