Globe-Shaped Table Lamp

Artemide

Italy

The simple and bright white lamp has a hand-blown glass globe with a subtle texture, supported by a hidden plastic base.

Artemide, a company established in 1959, has a history of creating modern lighting fixtures like table lamps, floor lamps, wall sconces, and suspensions. Their designs range from sleek and elegant to artistic and cutting-edge. Some of their iconic designs, such as the Tolomeo and Tizio, have...
