Dunbar Greene & Greene Inspired Dining Chair

Edward Wormley for Dunbar

USA, 1957

An Edward Wormley Janus Collection dining chair of solid walnut inspired by the work of California architects Greene & Greene from the first decade of the Twentieth Century. Its crafted look with exposed tenon crest rail and bowed center splat reveals a subtle hint of Far Eastern design. An uncommon form difficult to source owing to its brief period of production. Arm Chair No.5718, Side Chair No.5717
