

WYETH

Unique Danish oak bench with a reversible leather & teak top

Larsen and Madsen
Scandinavia, 1960s

a Danish cabinetmaker quality bench made of oak with a reversible top. the two section top slides on nylon rails built into the frame, the 2 sections slide out from each end of the frame. one side is finished in oiled teak, the opposite side is delicately covered in white calfskin. the bench can be used with a smaller teak top and the longer section leather top, or vice versa.
