

WYETH

Dunbar Riemerschmid Arm Chair

Edward Wormley for Dunbar

USA, 1947

A 1947 Wormley modified design, with slight but visible changes to the arm, of Richard Riemerschmid's classic Jugendstil armchair exhibited at the Dresden Exhibition of 1899. Wormley's adaptation, model 4797A, was executed in mahogany or walnut. Our example(s) are in walnut retaining their original black leather seats.
